Note about Un-duplication of Data
<p><i>Data on students experiencing homelessness are un-duplicated at the State level, meaning that a student who was enrolled in multiple school districts during the school year is counted only once in the spreadsheet. Duplicate counts were handled according to the following business rules:</i></p>
<ul style="list-style-type: none"> · <i>If two districts reported a student as enrolled, the district that reported the student with Program Service Code 8262 (Homeless Student Status) is attributed the student;</i>
<ul style="list-style-type: none"> · <i>If two districts reported a student as enrolled and both reported the student with Program Service Code 8262 (Homeless Student Status), the district where the student was enrolled last during the school year is attributed the student.</i>
