

Q&A Year-End Planning for McKinney-Vento Liaisons

Q: There are a number of trailer parks that are defined as fixed, adequate and regular residences. The inclusion of "trailer parks" in the slide is confusing to some liaisons.

A:

Q: If we were unable to provide transportation due to driver availability but the parents transported back and forth and the school provided payment reimbursement to the family can the title 1 funds be used to pay for that?

A:

Q: We also have to send a STAC 202 form on students as well correct?

A:

Q: Some student were not a part of temporary housing until after the enrollment period. What do we do?

A:

Q: How do the rules apply to a walking school district?

A:

Q: If we had a McKinney-Vento student that moved to another district once getting perm housing but took a few months to enroll in the new school how does that work? The student was attending an OOD placement and we were still being billed even once they were in perm housing because they were not enrolled yet with the new school even with us and the new school making multiple attempts to get this completed with the family.

A:

Q: I know that families who obtain permanent housing during the school year still qualify under McKinney Vento for the remainder of the school year. Will they still qualify during the summer?

A:
